I am starting my next Socialisation & Obedience course **Saturday 12th January**. Your class will start at **11am** and will last an hour. The course runs for a period of **5** weeks.

I have attached a map showing the location and address of the venue. *Please note that this course takes place outside, there is no indoor facility - so please come dressed accordingly.*

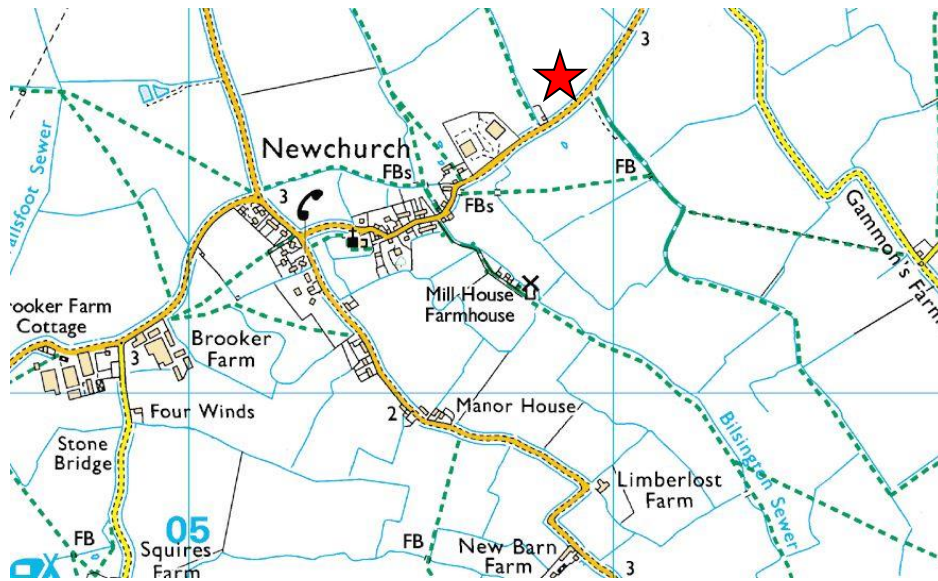

The cost of the course will be **£70.00** in total. A **non-refundable deposit of £30.00** will be required to secure your place on the course. Places will be allocated on a first come basis. The remaining balance will be due to be paid at or by the first class. Payments can be made by sending a **BACS payment to Mr Peter Williams - sort code 09-01-34 - account number 31989788** - clearly indicating who it is from - the completed registration form can then be emailed to me. **Or** alternatively you can send the deposit and registration form to the above address, making any cheques payable to **P Williams**. I look forward to seeing you at the class, however If there is anything else that I can help you with in the meantime, then please do not hesitate in contacting me.

Pet Shop

Pawfect Pet Supplies - Is on site at our training venue, situated in the stable area. We think you will find the prices very favourable. Just ask Hannah (my daughter) for a price of your regular dog food - we think you might be surprised how much you could potentially save!

Browse through the available products regularly kept in stock via the facebook page - includes feed, toys, treats, chews and accessories

Hannah also now stocks or can source supplies for a variety of pet animals horses, cats, birds, rabbits, guinea pigs, chickens etc

If you don't see a brand or product that you regularly use - Just text Hannah (07794 109418) - she will text you back with the price she can get it in for- no obligation to buy by texting for a price...

Feel free to pop in and view what she has on offer whilst at classes or indeed anytime you wish

During the classes my wife Andrea enjoys taking photos (at a discreet distance) - the photos taken can be viewed via our **Facebook page** (PAW Dog Training) - you are most welcome to tag yourself into the pictures, share them with friends or download them for printing.
